TASTE THE TEXTURE

WHY TINY RINO?

Tiny Rino grew out of a love for desserts and the simple joy of creating something new. After years of baking at Izzio, the idea was to make a place where frozen creations, fresh-baked pastry, exceptional ingredients, and playful textures could all meet.

REAL GREEK YOGURT

Our frozen yogurt starts with real Greek yogurt for richness, body, and a clean dairy tang.

KEFIR + LIVE CULTURES

Made with kefir and live and active cultures for a cultured, balanced flavor.

HIGH IN PROTEIN

A more satisfying soft serve with naturally creamy texture and substance.

SIMPLE INGREDIENTS

All-natural ingredients selected for flavor, quality, and thoughtful execution.

SEASONAL BY DESIGN

The menu changes with the seasons and with what is inspiring us at the moment.

BAKERY DNA

Fresh-baked pastry elements bring the craftsmanship of Izzio into the Tiny Rino world.

**A LITTLE PLACE TO EXPERIMENT, CREATE,
AND GIVE YOU SOMETHING DELICIOUSLY UNEXPECTED.**
